“SEAHAWKS” SWIM TEAM

SWIMMING IS A VOLUNTEER INTENSIVE SPORT!

“SEAHAWKS” is a member of USA Swimming. The mission of the swim team is to teach competitive swimming to serious swimmers within a positive environment. Our team of coaches strives to make each member achieve his/her potential and exposes them to the exciting world of team swimming.

The Seahawks Swim Team is open to all competitive swimmers ages 6 and older who swim at a Level 4, or above, skill. Swimmers are expected to attend all practices, participate in all dual meets, USAS meets (Silver/Bronze, Junior Olympics, Eastern Zone, National Boys & Girls Club Championship in Florida and B&G Invitational in Union, NJ). Dedication, positive attitude, and a willingness to put forth a consistent effort are required.

All parents are required to volunteer in assisting the running of the swim meets held during the season as timers, marshals, judges, as well as various fundraising events, especially the Seahawks hosted USA Swim meet. This helps the Boys & Girls Club of Clifton to maintain the high standards in programming which includes the Seahawks Swim Team and to keep costs affordable.

Our swimmers have won at the Mini Championship of New Jersey, Junior Olympics and Silver Championship. The Seahawks swim team took First Place at the East Coast Boys & Girls Clubs Invitational, Third Place and 2-time Team Spirit Award winner at the Boys & Girls Clubs National Championship in Florida, Eastern Zone Age Group Championship.

Our season runs September through March (Fall/Winter), April through June (Spring) and July through August (Summer). Swimmers are divided into five groups based on age and ability. All swimmers will take a T-30 test (30 minutes of non-stop swimming) in October and January. This test helps personalize the training process of each swimmer according to his/her cardiovascular ability. Group placement will be updated after each test. This test will be given during normal practice schedule.

The swim team groups are as follows:

JO's Group- swimmers in this group have achieved at least four Gold standard times for JO's and Zone Champs.

Gold: swimmers in this group have achieved JO cuts in at least two events by the end of the season.

Silver: swimmers demonstrate a willingness to train and compete in all strokes and distances and have achieved at least silver time standard in four events in their age group.

Bronze: swimmers demonstrate a legal 100 yards IM and put forth consistent effort.

Little Seahawks: swimmers ages 8 & under whom need to improve legal stroke technique and build confidence in competing in order to move to higher level in swim team.

Team Website- www.cliftonseahawks.org

Every swimmer should check this website regularly for updates, important notices and to sign up for meets, check directions to meets, coaches' information, emergency numbers, practice/meet cancellations. Swimmers will no longer have files. All information and meets sign ups MUST be done through website. It is every swimmers responsibility to check the website and Seahawks bulletin board each practice for new notices.

****Seahawks Swimmers participating in High School season (Nov. 15 – Feb. 1) must attend a minimum of 4 Seahawks practices per week and participate in USAS and Dual meets. If not able to complete this requirement, please do not sign up for Seahawks swim team. (Please see Get Ready Program on page 7)**

*****High School Group Program**

This program is designed for High School Swimmers who want to participate in USAS meets and dual meets with “Seahawks” Swim Team without attending team practices.
