USA-S Racing Start Certification Statement	Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a USA Swimming member coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.
USA-S Deck Change Policy Statement	Changing into or out of swimsuits other than in locker rooms or other designated areas is prohibited.
Meet Format	<ul style="list-style-type: none"> Each event on Saturday and Sunday of this meet will be run in both pools. See Special Meet Format section (below) This meet will be run in accordance with current USA Swimming Rules. This meet will be run as a timed final meet. This meet will be deck seeded with coaches checking in/scratching all swimmers. When the seeding has been posted, swimmers will report directly to the blocks.
Special Meet Format (Odd Heat Pool/ Even Heat Pool)	<p>ODD/EVEN Heat Format: Due to the expected volume of swimmers at this meet and other considerations, the meet is planned to be run as follows:</p> <ul style="list-style-type: none"> All Saturday and Sunday events will be swum in both pools simultaneously. The pools will be divided into "Odd Heat Pool-Scoreboard Pool" & "Even Heat Pool-Dive Pool". In this arrangement, Event 1 Heat 1 will swim in the scoreboard pool while Event 1 Heat 2 swims in the dive pool, virtually simultaneously. Heat 1 of an event will not begin until all heats of the previous event have completed. If necessary, the Meet Director will arrange for short (5-10 minute) breaks between events to give swimmers rest between events.
Swimmer Eligibility	<p>Qualifying Period</p> <ul style="list-style-type: none"> The qualifying period for this meet is January 1, 2014 through the entry deadline. <p>Registration Requirements</p> <ul style="list-style-type: none"> All swimmers must be members of USA Swimming to enter and compete in this meet. All swimmers must be listed on a team's official entry form to be eligible to participate in this swim meet in any events including relays. This is a New Jersey Swimming Championship Meet; only New Jersey Swimming athletes may enter and compete in this meet. Swimmers may compete in any event that they have not achieved a New Jersey Swimming Gold Time. See attached events and time standards. <p>Unattached Swimmers</p> <ul style="list-style-type: none"> All transfer swimmer(s) must swim unattached for 120 days from their last attached competition. Swimmers must use an UN- (New Team Alpha Code) as their team affiliation. All Unattached swimmers must be listed on the team's official waiver entry form. A reminder that unattached swimmers are not eligible to participate on relays. <p>Age Groups Offered</p> <ul style="list-style-type: none"> There will be Girls and Boys 13-14 and 15-19 Events. Age for this meet is: Friday, March 13th, 2015 All swimmers must have times slower than the current New Jersey Swimming Gold Time Standards. If a swimmer is entered in the meet, and then achieves a Gold time in one or more of their entered events prior to the start of the meet, that swimmer MUST be removed from that event(s). They will be allowed to substitute another eligible event(s) if they have any or the entry fee will be refunded if a swimmer is ineligible to compete in a substitute event. Failure to remove such a swimmer will result in the disqualification of the swimmer (even retroactively), and the swimmer's club may be penalized and/or fined by NJ Swimming for each such infraction. Similarly, if a swimmer was initially entered in the Bronze division of an event, and then achieves a Silver time in said event prior to the start of this meet, then that swimmer's entry needs to be amended so that they do not compete in the Bronze division of that event. Again, failure to do so will result in the penalties stated above.

Entry Limits	<ul style="list-style-type: none"> Swimmers may compete in up to 6 Individual Events over the course of the meet. New Jersey Swimming allows swimmers to compete in 3 individual events per day. Swimmers may enter as many events as they qualify for but must scratch down to 3 events prior to the start of the session. If a swimmer is not scratched down to three events, then the first three entered events that are contested will then be considered as the three events in which the swimmer is eligible to compete. Swimmers may compete in one relay per day.
Time Standards/ Bronze Bottom Cuts	<ul style="list-style-type: none"> There are 5 Bronze events (50 free, 100 free, 100 back, 100 breast & 100 fly) that have no bottom cuts. There are "bottom cuts" for Bronze Events of 200 yards. A Bronze level swimmer who does not have times faster than any of the 200 bottom cuts may choose 1 (one) 200 yard event where they do not have a bottom cut in which to participate (giving 6 events). All individual events of 400 yards or longer are only open to swimmers who have Silver times in those events during the meet qualifying period (since Jan 1, 2014). A bronze level swimmer may not pick the 400 IM, 500 free, 1000 free or 1650 free as a 6th event.

Warm-up Procedures	<ul style="list-style-type: none"> Warm-ups will be run under New Jersey Swimming Warm-up and Safety Guidelines. All swimmers are entitled to a fair and comparable warm-up. All teams will get the same opportunity for general warm-up lanes, sprint lanes, and pace lanes. All swimmers must enter the pool feet first, from the starting end of the pool. Scarlet Aquatics and Morris County Swim Club meet marshals will monitor warm-ups. During general warm-up in a lane, all swimmers will swim in a counterclockwise direction. Warm-up will be split into two 30 minute sessions with assigned lanes and warm-up periods for participating teams. If swimmer volume dictates, three 25 minute warm-up periods will be assigned. Teams will be notified by email of warm-up periods and lane assignments. Teams may do one way, dive sprints during their assigned warm-up period. Teams sharing a lane must wait for all teams in the lane to complete general warm-up before using the lane for dive sprints. Relay starts are not permitted. Warm-up for the 400IM/1650 Session will be 30 minutes. Lanes will not be assigned. At least one lane in the dive well will be available for warm-up/down during the session. If deemed necessary by meet management, a lane(s) may be designated for dive sprints. All clubs will be notified by e-mail if different warm-up procedures will be used.

Entry Times	<ul style="list-style-type: none"> New Jersey Swimming does not allow 'NT' or 'No Time' to be used as an entry time. All entry times must be slower than the New Jersey Swimming Short Course Yard Gold Time Standard. All entry times must be in short course yards. Converted times using the standard Hy-Tek conversions factors are acceptable. For all New Jersey Swimming Championship Meets, proof of time must be included with all entries. Entries without proof of time will not be accepted into any New Jersey Swimming Championship Meet. (See "Proof of Times Reporting" section below) There are "bottom cut" times for all 200 Yard Events. Entry times for these events must be faster than these "bottom cut" times, except as noted in the Bronze Bottom Cuts section above – a swimmer without any 200 Yard event "bottom cuts" may swim 1 (one) 200 yard event of their choice. There are "bottom cut" times for the 500 Free, 1000 Free, 1650 Free and 400IM, which are equal to the Silver qualifying time. Entry times for these events must be faster than the Silver qualifying times.
Proof of Times Reporting	The TM entries report with the <i>Include Proof of Time</i> option selected will suffice. This report must be saved as a PDF file and emailed to the entry coordinator along with the entry file. Entries without an accompanying proof of time will not be accepted.
Check-In	All swimmers will be checked-in by their coaches. Swimmers who are not checked in will be scratched. All check-in sheets must be turned into the scoring table 35 minutes before the start of each session. Swimmers that are swimming will have a line through their name. Swimmers that are being scratched will have their names circled with a "SCR" next to the circle. Swimmers scratching a single event will have a line through his/her name and the event number circled with "SCR" next to the circle. Failure to follow this procedure may result in the swimmer(s) being scratched from the entire session.
Starts	'Fly-over'/'Over-the-top' starts may be used at the discretion of the Meet Referee.
Distance Events	<p>500 Freestyle/1000 Freestyle</p> <ul style="list-style-type: none"> The 500/1000 Freestyle events will be part of the main session and host clubs & assigned team timers will time these events. The 500 Freestyle events will be swum slowest to fastest. Swimmers in the 500/1000 Yard Freestyle are to provide their own counter if one is desired. The 1000 Freestyle will be swum fastest to slowest, alternating Girls and Boys heats. This means that the fastest heat of the girls will swim in the main pool, while at essentially the same time the fastest heat of the boys will swim in the dive pool. Then the second fastest heats of both genders. Then the third fastest heats. Etc... Heats of the Girls/Boys 1000 Freestyle may be combined. If necessary, genders will not be separated by a lane during competition. <p>400 IM and 1650 Freestyle</p> <ul style="list-style-type: none"> The 400 IM and 1650 Freestyle events will be in a separate distance session on Friday evening. Swimmers must provide a timer and counter (if a counter is desired for the 1650). The 400 IM and 1650 will be swum entirely within the Dive Pool, and will swim fastest to slowest, alternating Girls and Boys heats. All heats of the 400 IM will be completed before the first heat of the 1650 Freestyle. Heats of the Girls/Boys 400 IM and heats of the Girls/Boys 1650 Freestyle may be combined. If necessary, genders will NOT be separated by a lane during competition. Girls 13-14 and 15-19 400 IM, 1000 Freestyle and 1650 Freestyle will be swum as single combined events, but will be scored as separate age groups.
Heat Limited Events	<ul style="list-style-type: none"> None anticipated at this time, although if the time-line requires it, the 400 IM, 1000 Free and the 1650 Free may be heat limited.

Relays	<ul style="list-style-type: none"> • All relays must have the correct four names listed in the correct order for that relay to be eligible. • Coaches must turn in completed relay cards prior to that relay swimming. • In order to swim in a relay designated as a Silver/Bronze event, no swimmer on that relay may have a previous Gold time in the stroke and distance that the swimmer will swim in that relay. For example, a swimmer with a previous gold time in the 50 free cannot swim the freestyle leg of a 200 yd medley relay. • Where a relay leg distance is not normally contested for the age group and a Gold time does not exist (eg: 50 Backstroke), no swimmer on that relay may have a previous Gold time in the 100 Yard distance of the stroke that the swimmer will swim in that relay. For example, a swimmer with a previous gold time in the 100 Butterfly cannot swim the Butterfly leg of a 200 Yard Medley Relay. • If a team doesn't have enough eligible swimmers to complete in a relay, then that relay must be scratched and may not be swum with an ineligible swimmer. • Any relay team in violation of this requirement will be disqualified and the information will be turned over to New Jersey Swimming for possible penalties and fines. (See the NJS Policy Manual for list of fines) The Meet Referee and/or the meet jury will handle any protest of relay swimmers during the meet. New Jersey Swimming will handle any protest of relay swimmers after the meet. • If the meet timeline will exceed facility requirements, relays may be cancelled. If Relays are cancelled relay splash fees will be promptly refunded.
Scoring	Team Scoring will not be kept.
Awards	<ul style="list-style-type: none"> • Medals will be awarded for the top 6 swimmers in both the Bronze and Silver divisions in each individual event of 200 yards or less. • For the Silver Only individual events (400 IM & 500, 1000, 1650 Free), medals will be awarded to the top 6 swimmers overall. • Relay awards will be awarded to the top three teams in each event. • A swimmer seeded with a bronze time will not receive an award if a gold time is achieved.
